INSTRUCTIONS

1. Wipe a damp sponge over the entire plate to remove dust and contaminants.
2. Trace the pattern and lettering onto the tissue paper with a pencil. Choose the quote you like best from the provided patterns or come up with your own.
3. Place the tissue paper over the plate and trace over the pencil lines with a dark water-based marker. Hold onto the tissue carefully so that the design doesn't shift as you trace.
4. With a round brush, paint the roses with 1-2 thick coats of curved single strokes. Reload your paint brush before each stroke to create a textured look.
 - Purple Roses: Ghostly Grape
 - Yellow Roses: Squash Blossom
 - Pink Roses: Blush
5. Paint 3 coats of Kiwi on the leaves.
6. With a liner brush, use a darker shade to add petal details to the roses.
 - Purple Roses: Perfectly Purple
 - Yellow Roses: Pumpkin Pie
 - Pink Roses: Pink Berry
7. With a liner brush, use Grasshopper to outline and add details to the leaves.
8. Fill a writer bottle with some Licorice.
9. With the writer bottle and medium tip, trace over your lettering and scalloped border.
10. Using the back of the pencil like a stamp, make Licorice dots along the base of the scallops.

TIPS

- Allow paint to dry between coats.
- Wash brush between colors.
- Use the patterned phrases or come up with one of your own.
- Use a contrasted colored marker to make the pattern more visible as you are painting.
- Use masking tape to hold the tissue paper while you are tracing if it shifts.
