## INSTRUCTIONS

1. Dip the sponge dotter into Licorice paint and tap the excess onto a paper towel. Stamp a dot onto each of the facets. Repeat for a second layer.
2. Add water to Licorice paint; 50% paint to 50% water. Use a liner brush to add the legs and feet to each spot.
3. When the spots are dry, dip the handle of a brush into a color for the eyes and press it onto the black spot. We used Chiffon, Lemon Mist, Gum Drop, and Just Blue for the eye colors.
4. Use a liner brush to paint stars on the little triangle facets. We used Lemon Mist, Gum Drop, Chiffon, and Just Blue. 1-2 heavy coats will work.
5. Use the handle of the liner brush and dip it into Licorice paint. Stamp it onto the eyes to create the pupils.

## TIPS

- Tap the excess paint off the sponge dotter to get a cleaner circle.
- The harder your press on your brush, the heavier the line will be. Use even gentle pressure for thinner lines.
